Since 1990... The Leader in Quality, Productivity and Innovation

In 1990, the Min-U-Script® revolutionized the production and use of transcripts with the first condensed transcript and word indexing. For nineteen years, Min-U-Script has been acclaimed for its unequalled quality, productivity features and benefits for legal professionals.

And now, Min-U-Script Pro Version 3.1 delivers outstanding new features including:

- **Deposition Schedule Link with Every Delivered File**
- **Min-U-Script Scan Pro – The Ultimate Utility for Scanning Exhibits**
- **Casewide Exhibits Bundle in One PDF File**
- **And a whole lot more**

The best condensed and full-sized format printing, word index options, email/CD delivery of enhanced PDF files using the industry standard Adobe PDF format, automatic archiving, sorting, retrieving, reprint/emailing... *the best keeps getting better and provides a real alternative for court reporters... and their clients.*

And, Min-U-Script Pro users can **add "marketing punch"** to every transcript delivered with customized title pages, CD menu, prominent auto-scheduling link/template, all graphics-ready with links to your web site. ***Gain prominent recognition with every file they open!***

***Better yet... pricing as low as \$ 250per license!
No monthly fees and no per usage charges.***
